Dear David and Linda,

It was a pleasure to visit you, hear your stories and have just a glance at the impressive art you have on the walls.
I say to Ehud that sometimes it is more impressive to visit galleries and private homes with collections than to visit an exhibition at the museum. The vicinity and the friendly location of important works makes it kind of more “accessible”.

We shall certainly benefit from your proposal to have a night tour in the MOMA. It must be a one time experience.

I haven’t replied immediately to your email, as we tried to get in touch with the right person concerning your wish to contribute to such important cause.
We go back to Israel tonight and we will be in touch with you soon.

warm regards from Ehud,
Nili

Hello David,
You have met Ehud Barak at the Leo DiCaprio event in St. Tropez last week and showed an interest in meeting him in NY.
Barak is in NY right now and will stay in town till August 6.
If you are back in town, I can fix a drink/meeting.
regards,
Nili Barak
